Introduction	5
Chapter 1. Cognitive mechanisms of the illusion of truth	9
1.1. Fundamentals of cognitive perception	9
1.1.1. Sensory perception and information processing	12
1.1.2. Formation of cognitive schemas and representations	15
1.2. Mechanisms of creating the illusion of truth.....	20
1.2.1. The impact of cognitive biases on the perception of facts	25
1.2.2. The role of emotions in the formation of the illusion of truth.....	31
Chapter 2. Social and psychological aspects of the illusion of truth	37
2.1. Socio-cultural context and the illusion of truth.....	37
2.1.1. Influence of social norms on information perception	41
2.1.2. The role of group dynamics in the formation of illusory perceptions.....	48
2.2. Psychophysiological aspects of the perception of the illusion of truth.....	52
2.2.1. Neurophysiological correlates of illusory perception	55
2.2.2. Interaction between emotional background and information perception.....	63
Chapter 3. The art of lying and the illusion of truth	69
3.1. Psychological characteristics of liars	69
3.1.1. Typology of liars and their motivations	74
3.1.2. The interaction with personal illusion of truth.....	82
3.2. The impact of lying on interpersonal relationships.....	85
3.2.1. Trust and its breach due to the illusion of truth.....	89
3.2.2. Interaction of liars in group structures	92
Chapter 4. Perception of the world in the context of crisis events	99
4.1. Psychological reactions to crisis situations	99
4.1.1. Stress and its impact on cognitive function.....	102
4.1.2. Adapting to uncertainty and threats	107
4.2. Interaction between the illusion of truth and the psychology of crisis.....	114
4.2.1. The role of illusions in psychological defence in crises.....	118
4.2.2. Psychological strategies to counter illusions during crisis events.....	122
Chapter 5. Psychological features of information perception	125
5.1. The impact of information overload on cognitive processes	125
5.1.1. Psychological aspects of information overload.....	127
5.1.5. Effects of information filtering	132
5.2. The role of media and social networks in creating the illusion of truth.....	136
5.2.1. Media influence on the perception and interpretation of events	138
5.2.2. The role of social media in spreading illusions and shaping group perceptions.....	143
Chapter 6. Psychological strategies for correcting illusory perceptions	149
6.1. Critical thinking for counteracting the illusion of truth	149
6.1.1. Development of critical thinking in the psychological dimension.....	151
6.1.2. Psychological aspects of critical information analysis.....	153
6.2. Methods of psychocorrection of illusory perceptions	159
6.2.1. Techniques for self-regulation and emotion management	160
6.2.2. The role of psychological support in adjusting perceptions.....	170
Conclusions	177
